PROJECTS

1 DAY AT A TIME [<https://github.com/TatyCat/1-day-at-a-time>]
HTML5, CSS3, JavaScript, API

Start your day right with real-time information about the weather, top new stories, the phases of the moon, and when sunset and sunrise are expected occur.

QUOTE GENERATOR [<https://github.com/TatyCat/quote-generator>]
HTML5, CSS3, JavaScript, API

Generates random quotes from a Simpsons API. Inspired by Free Code Camp.

EXPERIENCE

Four years in Media Tech and six years in Child Welfare has allowed me to develop my skills including leadership, empathy, active listening, decision making, advocacy, communication, organization, collaboration, mentorship, and problem-solving as a passionate and dedicated team member.
